

APPLY NOW for 2021 XULA Pre-College Summer Programs!

Star Programs - Preparing students to enter Algebra, Geometry, Biology, or Chemistry in Fall 2021. Learn the most important concepts with engaging lessons, immersive projects, collaborative activities, and guest speakers.

SOAR X - College-bound rising high school juniors and seniors get early exposure to college life and careers in STEM or Humanities. Learn what it means to be a Xavierite and discover how you will change the world.

2021 Programs will be offered remotely, with plans to add an in-person option if COVID-19 conditions permit.

Visit [xula.edu/precollegeprograms](https://xula.edu/precollegeprograms) for the most up-to-date information and to apply!

Need-based scholarships are available, please inquire to [summerprorgams@xula.edu](mailto:summerprorgams@xula.edu)
